# Ayer's Pills

Are particularly adapted to  
downward action of the digestive  
organs, and cleanse the  
system from impurities  
that are the source of  
many complaints that arise from  
the kind or cost of the food  
eaten or from excess of bile  
are good for  
all kinds of diseases  
and are very  
cheap of their effects in their practice.

## AS A FAMILY MEDICINE.

From Dr. J. C. Chamberlain, of New Orleans.  
"Ayer's Pills are a desirable  
qualifying agent in all nervous cases. They exalt  
the system, and are useful in all the cases in the family  
with very certain and efficient results in the female  
with catarrhs, and are used in the daily practice  
of disease."

## FOR LARDER AND ALL LIVER COMPLAINTS.

From Dr. J. C. Chamberlain, of New York City.  
"Not only are your Pills adapted to the  
purpose as an aperient, but I find their beneficial effects  
upon the liver. I have used them in many cases of  
active gravel more successful for the cure than any  
pills I can say any remedy I can mention. I strongly  
recommend them as a long and safe remedy, and highly  
the confidence of the profession and the people."

## DYSPEPSIA - INDIGESTION.

"The Pills you were kind enough to send me have been  
all used in my practice, and have satisfied me that they are

truly an extraordinary medicine. So peculiarly adapted to the treatment of the nervous system, that it has a power to work upon all ailments. I have of late seen it given to persons and independent of them, which has produced the most extraordinary results. Indeed, I have myself found them to be a most efficacious means of curing all the various ailments for which you recommended them.

**DISENTERY.—DIARRHEA.—RELAX.**  
From Dr. J. G. Greer, of Chicago.  
"I have been using your medicine for some time, and have held it in esteem as one of the best remedies for dysentery. Their extensive effect upon the liver, making them a most valuable remedy in all cases of liver disease, dysentery and diarrhoea, has been fully confirmed by the very noticeable and consistent for the time of wants and ailments."

**INTERNAL OBSTRUCTION.—WORMS.—SPERMATORRHOEA.**  
From Dr. J. G. Greer, who practices as a Physician and Midwife in Illinois.  
"It induces two large flows of your PILLS, taken at the proper time, and the result was a most extraordinary section which yielded or partially suppressed, and also gave rise to a desire to increase the strength and expel worms. They are so much of this kind we have had a recommendation to give to my patients."

**CONSTITUTION.—CONSTIPATION.**  
From Dr. J. P. Fitch, Montreal, Canada.  
"You may cannot be too careful of the use of your medicine. As I have of late frequently had to use it, and as it is so efficacious as I have, they should not permit it to be abused. I am much benefited, and I have seen it produce the most complete results, which although bad enough in itself, has been the result of others that are worse. I believe I have been cured of my liver, but your pills act that organ, and cure the disease."

**ACQUINITY OF THE BLADDER.—SCURVY.—A FITTING.—SALT IN THE URINE.—FETTER.—TUBERCLES.**  
From Dr. E. Wood, of Chicago.  
"You were right, Doctor, in saying that your pills were the best. They do not, I have used them of late, and I believe I have cured of my liver, but your pills act that organ, and cure the disease."

They stimulate the excretories, and carry off the impurities that stagnate in the blood, engendering disease. They stimulate the nerves of the stomach, and increase the
